The information you give us may include your name, date of birth, address, email address, phone number, name of the EA affiliated Clubs with which you are registered and gender (Athletics Data).

Why we need your personal data

The reason we need your Athletics Data is to be able to administer your membership, and provide the membership services you are signing up to when you register with the Club. Our lawful basis for processing your personal data is that we have a contractual obligation to you as a member to provide the services you are registering for.

Reasons we need to process your data include:

For training and competition entry

- sharing personal data with club team managers to enter events; and
- sharing personal data with leagues, county associations and other competition providers for entry in events.

For funding and reporting purposes

- analysing anonymised data to monitor club trends; and
- sending an annual club survey to improve your experience as a club member

For membership and club management

- sharing data with committee members to provide information about club activities, membership renewals or invitation to social events;

- publishing of race and competition results

Marketing and communications (where separate consent is provided)

- sending information about selling club kit, merchandise or fundraising.

Any special category health data we hold on you is only processed for the purpose of passing health data, in confidence, to run leaders to allow the safe running of training sessions. We process this data on the lawful basis of consent. Therefore, we will also need your explicit consent to process this data, which we will ask for at the point of collecting it.

The club has the following social media pages: Facebook, WhatsApp and Twitter. All members are free to join these pages. If you join one of the social media pages, please note that providers of the social media platforms have their own privacy policies and that the club do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data on the club social media pages.

Who we share your personal data with

When you become a member of or renew your membership with Adderbury Running Club you can also choose to be registered as a member of England Athletics (you will have to register with England Athletics if you ever compete for the club in competition Under UKA Rules). If you tick the box below we will provide England Athletics with your personal data which they will use to enable access to an online portal for you (called myAthletics). England Athletics will contact you to invite you to sign into and update your MyAthletics portal (which, amongst other things, allows you to set and amend your privacy settings). The Club may supply personal data it holds for this purpose to any other third parties such as ParkRun and local and national sports clubs.

How long we hold your personal data

We will hold your personal data on file for as long as you are a member with us. Athlete data is updated every year on annual membership forms. Any personal data we hold on you will be securely destroyed after four years of inactivity on that member's account, in line with England Athletics Limited's retention policy. Your data is not processed for any further purposes other than those detailed in this policy.

Your rights regarding your personal data

As a data subject you may have the right at any time to request access to, rectification or erasure of your personal data; to restrict or object to certain kinds of processing of your personal data, including direct marketing; to the portability of your personal data and to complain to the UK's data protection supervisory authority, the Information Commissioner's Office about the processing of your personal data. As a data subject you are not obliged to share your personal data with the Club. If you choose not to share your personal data with us we may not be able to register or administer your membership.

On occasion, we may collect personal data from non-members (e.g. non-member participants such as volunteer marshals or non-club participants at an Adderbury Running Club event). This information will be stored for 6 weeks after an event and then destroyed securely. Our lawful basis for processing data is consent. Therefore, we will also need explicit consent from non-members to process this data, which we will ask for at the point of collecting it.
